Hogs	230-290 lbs	No 3 or better with a maximum payout weight for the livestock auction of 280 lbs
Lambs	90 lbs minimum	Good or better (lambs must be under 10 months of age)
Goats	70 lbs minimum	

STATE BRAND REGULATION

A certificate of permit for hauling cattle must be made out before leaving home. Cattle with the brand of the previous owner must also have a bill of sale signed by the previous owner. The certificates of permit and bills of sale will be given to the weigh master at the scales at the final weigh in.

ASOTIN COUNTY FAIR 4-H and FFA MARKET LIVESTOCK SALE RULES

1. A currently enrolled Asotin County 4-H or FFA member may exhibit ONE market animal. The exhibitor must bring only one animal to the Official Fair Weigh-in. An exhibitor may exhibit a second animal in breeding classes. Species limitation does not include rabbits, poultry or horses. If animal is not a tagged market animal, it will not be weighed.
2. Scales will remain open to exhibitors until 8pm Wednesday, and re-open at 12pm Thursday for Official Fair Weigh-in.
3. NO market animals will be stalled prior to Official Fair Weigh-in.
4. A WSU Health Record Form (Quality Assurance Form) must be submitted (signed and properly completed) by all 4-H and FFA market beef, market goat, market sheep and market swine exhibitors at the time that they weigh in their animal on Thursday afternoon. Individuals that do not have a completed Health Record Form will not be able to sell their animal through the livestock auction. The Official Fair (FINAL) Weigh-in will be between 12:00 and 6:00 PM on Thursday of fair week.
5. Scale weight, if not disputed, will be final. If disputed, a chance for reweigh will be done immediately. The animal will be removed from scale, the scale will be balanced, and the animal will be immediately put back on scale for final reweigh.
6. A slip with exhibitor's name and animal's weight will be available at the scales.

7. Sales committee will not help in securing buyers, but is responsible for:

- a. Securing support price
- b. Auctioneers
- c. Securing trucking
- d. Bookkeeping
- e. Clerking
- f. Photographs for folder
- g. Sales accounts
- h. Proofreading sale order
- i. Withholding trucking fees when needed

j. Supervising, handling and loading of sale animals Sunday after 4:30 PM. 4PM IS THE OFFICIAL CLOSE OF THE FAIR. Exhibitors are responsible for their projects up until 4 PM. Tack removal from 4–4:30 PM is permitted but cleaning is not to be done until Monday after 5:00! Although animals will be marked we will do our best to start loading from an FFA area. All exhibitors must be out of barns by 4:30 Sunday, with load-out of animals immediately following. Leave stall cards in place.

8. 1% will be withheld from sale animals for casualty fund. The limit on the casualty fund will equal 5% of the previous 3 year average sale gross. Anything over this amount will be used for sale improvement. The casualty fund will pay support price plus \$100 of animals not covered by exhibitor's insurance in the event of a casualty of a sale animal that occurs after the animal has been sold through the sale and prior to the animal leaving the fairgrounds on Sunday. All exhibitors are strongly urged to purchase livestock liability insurance for their animals. Market value will be determined by the auction support price for goats, sheep, hogs and beef. Rabbits and chickens will not be included as there is no support price offered at the auction. In case of buyer's default of payment for livestock purchased or individual participant support at the sale, funds may be transferred from the casualty fund to recover the loss, upon removal of the sales committee after Official Weigh-In is complete.

9. 3% will be withheld annually for the sale promotion upon approval of the 4-H & FFA Livestock Leaders and the Asotin County Fair Board.

10. Brand Inspection: Actual cost per head for Brand Inspection will be responsibility of seller of market steers. (See "State Brand Regulation" paragraph above.)

11. Sale animal hauling fee will be held from exhibitor's checks when required.

12. Terms of Sale: Cash-terms 30 days, 1% pencil shrink on lambs, 3% pencil shrink on steers. No shrink on hogs

13. Sale order will be made from live placing of animals by barn superintendents and with cooperation of Extension office; and be submitted to the sales committee on Friday immediately following completion of the market class.

14. The Sales Committee, with input from the fair board, has final say on all animals that go through the sale. The president of the Sales Committee has final say on any changes in sale order. The Sales Committee has the right to refuse any bid. Subject to Fair Rules & Regulations.

15. No deformed, injured or cryptorchid animals will be sold. A licensed veterinarian will give his signed decision on paper.

16. Support price bids deadline is 1:00 PM on Saturday, bids to be opened at sales office. Bidders welcome at bid opening.

17. Animals will be sold in the following order: rabbits, chickens, goats, sheep, beef, and hogs.
18. Barn Superintendent will be responsible for getting animals in sale ring.
19. All halters and safety chains (neck ropes) are to be left on steers until they are loaded out.
20. Loading will be done by the Sales Committee, the barn superintendents, and their designated help immediately following removal of tack at 4:30 PM.
21. Beef project owners MUST have a hauling slip and a Bill of Sale before the animal goes on the scale at final weigh-in.
22. Animals exceeding maximum weight at first weigh-in will not be tagged.
23. Animals sold at the Market Sale will be held on the Fairgrounds until close of Fair on Sunday. The seller/exhibitor will be financially responsible for the animal and its care until it is loaded on the buyer's truck.
24. ONLY OFFICIALLY TAGGED ANIMALS WILL BE ALLOWED TO PARTICIPATE IN THE MARKET SALE. Animals exceeding maximum weight at first weigh-in will not be tagged or able to sell at livestock auction.
25. All market livestock will be weighed and tagged on their respective dates as follows:
 - a. 8:00 – 9:30 AM - Market steers (3 maximum) will be weighed and tagged with an official ear tag in the right ear on the first Saturday of December. Maximum weight at first weigh-in is 1000 pounds.*
 - b. 8:00 – 9:00 AM - Market hogs (3 maximum) will be weighed and tagged with an official ear tag in the right ear on or before the fourth Saturday of January. Maximum weight at first weigh-in is 125 pounds.*
 - c. 8:00 – 11:00 AM - Market lambs and goats (3 maximum) will be weighed and tagged with an official ear tag in the right ear on the fourth Saturday. Maximum weight at first weigh-in is 110 pounds for lambs. Goat maximum weight at first weigh-in is 80 pounds.**Animal weights that exceed maximum weight limits will not be tagged and will not be weighed again at the official fair weigh-in.
26. All market animals not making minimum weight requirements at the Official Final Weigh-in at the fair on the Saturday closest to 60 days prior to the current year's fair final weigh-in date will be re-tagged in the left ear at that time.

HEALTH REQUIREMENTS

Q-Fever is a bacterial organism commonly shed by sheep, goats, and cattle. Goats and sheep in the last 14 days of pregnancy, and female goat and sheep are most likely to be shedding this organism. This disease is communicable to humans. Female goats and sheep within the last 14 days of pregnancy, and 14 days following the birth of live or dead lambs/kids are not allowed to be exhibited at the Asotin County Fair.

1. Washington livestock requires no vaccinations or tests for entry.
2. Individual health certificates for animals are not required for entry.

3. Weigh in veterinarians (chosen by the Sales Committee) may inspect all classes of livestock and poultry (including horses, pet animals, fur-bearing animals, pigeons, ducks, geese and turkeys), before they are exhibited, to determine that the livestock and poultry are free from infectious or contagious disease and ectoparasites.
4. Weigh in veterinarians MUST and WILL reject any animals with infectious or contagious disease or ectoparasites. Exhibitors should be aware that RINGWORM, WARTS, PINKEYE, STRANGLES, CONTAGIOUS ECTHYMA, SCABIES, LICE, MITES, TICKS AND FLEAS fall into these categories.
