

Asotin County Fair Board Meeting Minutes November 13th, 2024

Meeting called to order at 6:00pm.

Extension Office: Jeanene emailed handbook changes. Brought up that the superintendent would like to have the rabbit barn sided instead of painted if at all possible. Fair board will have to get a quote to see what the cost would be, Or maybe the superintendent could get a sponsor for the siding. 4-H/Extension office is thinking of renaming Barb Appleford Herdsmanship award. Requested to email minutes to the extension office once approved.

Superintendents: EJ wanted to know if we can have dairy goats qualify and be added to the large animal round robin. Motion was made to add dairy goats to qualify for large animal round robin. Motion passed.

EJ mentioned that the roll-up door by the wash racks needs to be replaced or figured out a way to fix it, so he doesn't have to keep digging it out every year. Roll up door by hog wash rack/manure pit. We will table it until December.

The fairboard approved to let Clarkston FFA/Cami Browne use fairgrounds November 24th for a showmanship clinic. The water is turned off.

Fair board members we need help at the fundraiser running the booze board, we will need to take shifts.

P1FCU will not have any helpers to help us with assigning bidder numbers and taking money and checking people out.

The fairboard voted on the fair theme for 2025. The theme will be: A Barn Good Time.

Once the meeting is adjourned the fair board members will go to Floch hall and load up the U-Haul with donations for the fundraiser.

Meeting adjourned at 6:35pm
