Extension Office- Mark asked if we had any questions or needed anything from the extension office. Peggy said she doesn't think so, she is just waiting for a few judge's contracts back.

Superintendents- Arlene said she doesn't have anything to report. EJ is working. Happy Day will do the sheep tent. They will set up Thursday and take down Monday. They are only going to charge us for Friday as we will hang up a banner for them at the fairgrounds.

Old Business- Arlene said she and Peggy proofed the breakfast tickets and they are ordered. Peggy spoke to Kurt-Schurman's regarding tables, and he will get back to her. Grainger has 6' tables for \$66.44 and so did Amazon.

Peggy is also working on a new chair stand cost.

New Business- all the shavings on the lower level were moved today. Steve got ahold of Mitch to let him know he can bring in the new shavings now if he has time. Chad Johnson hauled away about 9 loads of shavings to the dump and it cost about \$1000.

Steve reported all the water is on except for the hog barn. Steve asked if there were any more hog nipples and Peggy said all that we have were in the bucket. Steve suggests that the new hog supervisor review how many nipples we have compared to what we need.
